**NEW YORK METRO AREA
MINCHA DIRECTORY**

This Mincha Directory is based on information available at the time of printing. Although we cannot accept any responsibility for the accuracy of the data furnished us, we are most thankful for errors brought to our attention.

Please note the following:

- **It is always best to Call before going to a Minyan the first time to confirm the information herein.**
- Minyanim that meet late afternoon often change schedules as the days lengthen.
- Fast days pose a special problem. Not every Minyan possesses a Sefer Torah, and those that do will often daven earlier
- Minyanim at Yeshivos and Day Schools often meet only on school days. Similarly, many business Minyanim do not meet on legal holidays.
- The fact that a shul is listed in this directory does not mean that its mechitzah satisfies all standards.

For changes, corrections, or to list additional Minyanim, please contact:

Agudath Israel of America is part of the world movement of Agudath Israel, which was founded in 1912 to mobilize Torah-loyal Jews for the perpetuation of authentic Judaism. Agudath Israel aims to establish the sovereignty of Torah in all problems facing the Jew as individuals and as a nation. To achieve these aims, Agudath Israel of America maintains nineteen divisions of activity embracing every phase of Jewish life and daily affecting the lives of many thousands of Jews, young and old.

BROOKLYN

We have listed a number of minyanim in business areas (most Shuls in Brooklyn have minyanim near sunset). Cong. Shomrei Shabbos at 13th Avenue and 53rd Street (Boro Park) has minyanim throughout the day, including early shacharis and probably the latest maariv in the area. Bobov, at 4715 15th Avenue and Landau's E.9th St. and Ave. L also have minyanim on a continuous basis.
